Thank you for your participation in the Albany Train Show

To make this the best show that it can be we ask that you:

- 1) Arrive & set up in a timely manner. We will make arrangements to have the doors open by 7am. We MAY have the ability to set up the night before, but we CANNOT guarantee that.**
- 2) The show is from 9am – 3pm. Please do not start to break down your table before 3pm. We scheduled the show to be an hour longer to allow attendees to come a little later and shop longer. We are hopeful that this translates into more sales for you.**
- 3) Please provide a table cloth for your table(s). Not only does it look better, but it gives the whole show an air of professionalism.**
- 4) Refrain from using profanity and vulgar language (with the exception of the show promoter, of course).**
- 5) Respect the space & table layouts of other vendors. Give everyone enough room to move around.**

Again, we would like to thank you for your participation in the show. Over time, we hope to establish a larger community of train enthusiasts and make this show the center of that community.
